|| Nakshatra Phal ||

Nakshatra is the term for lunar mansion in Hindu astrology. A nakshatra is one of 27 (sometimes also 28) sectors along the ecliptic. Each nakshatra is further subdivided into quarters (or padas). These play a role in popular Hindu astrology, where each pada is associated with a syllable, conventionally chosen as the first syllable of the given name of a child born when the moon was in the corresponding pada.

Your Nakshatra : SRAVANA

You like to stay with hygiene and those who don't take care of cleanliness, you just don't like them. When you see a mannerless person, you don't hesitate in suggesting them. Seeing the problems of others, your heart easily melts. You are expert in welcoming guests and cherish a good hygienic food. Also, you are religious and the devotee of Guru. You walk on the the path of 'Satyameva Jayate' (truth prevails). When you help someone, you don't expect something from them. You may get cheated by the people. Your smile has a strong attraction. That is why when you meet someone with your smile, they become your fan. No matter how many ups and downs you face, you just keep living a simple life. You are a good counsellor and help people for their problems. Even if you are not much educated, you will be multi-talented. Also, you are a good multi-tasker. No higher quality could be possessed than this but it is one that may be carried to excess. You spend lot of time and money for the sake of others. Your tastes are of a cultured order and, at heart, you have a love for literary and artistic work of a high grade, though the commercial existence, which you must probably follow, may force them out of sight. On some occasions, you put yourself to considerable trouble in order to save a few rupees on the price of an article you desire to purchase. Career

You should find jobs which involve you with groups of people and where there is no pressure to meet commitments and responsibilities on a commercial level. You would find success in a career which would help people, such as group leadership.

Occupation

Whatever you turn to, you will engage in with all your might - one at a time. Then, if monotony or routine plays a large part in the chosen occupation, you will become restless and look for a complete change. Accordingly, you must see to it that, at the outset, you choose a form of work possessing plenty of variety. You should think of nothing that keeps you seated in an office, since you need movement. There is much in a commercial traveller's work that will appeal to you. But, there are thousands of jobs, which will take you from place to place and where you will constantly seeing fresh faces, that will be suited to your requirements also. You have an excellent executive ability which fits you for ruling you own right after you reach the age of 35. Moreover, at about this time, you become unfitted for serving under others.

Health

You put a high price on your comforts. As an outcome of this trait, you are something of a gourmet and enjoy your food. In fact, you do not eat to live but, rather, live to eat. It is not surprising, then, to find that your digestive apparatus will be the portion of your body which will give you the most concern. Do not neglect such ailments as indigestion and, when they come, do not try to cure them by means of drugs. Take moderate exercise such as walking and mild physical jerks. Breathe plenty of fresh air, put yourself on a rational diet and eat fruit. However, if it prolongs you must visit a doctor. After fifty years of age, beware of inertia. You will be apt to give up this and that, and grow into an individual who loses his hold on life. Keep up your interest in things, develop your hobbies and remember that nobody can grow old if they mix with younger people than themselves.

You are the sort that thinks a great deal of your home and its contents, and you expect it to be a comfortable, well-kept place. Disorder in the house is likely to grate on your susceptibilities. Your children will mean a great deal to you. You will work for them and give them the utmost in education and enjoyment, and what you lavish on them will not be wasted.

Finance

You will have many ups and downs in money matters, but chiefly owing to your own rashness and in attempting enterprises beyond your power of execution. You would make a successful company promoter, preacher, orator or organiser. You will always have the ability to make money but at the same time you are likely to make bitter enemies in the course of your business. You will be under good conditions for making money in business, industry or enterprise, and you will have many opportunities of amassing wealth if you keep control over your strong-willed disposition, which at times will be inclined to wreck your good fortune by causing expensive litigation and powerful enemies to rise in your path. So, you should try to develop tact in the handling of individuals and avoiding disputes.

|| Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Second house from Lagna, while in the Moon chart Mangal is placed in Sixth house.

Hence Mangal Dosha is present neither in Lagna Chart nor in Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

Some Remedies (in case Mangal Dosha is present)

Remedies (needs to be performed before marriage)

Kumbha Vivah, Vishnu Vivah and Ashwatha Vivah are the most popular remedies for Mangal Dosha. Ashwatha vivaha means the marriage with peepal or banana tree and cutting the tree after that. Kumbha Vivah, also called Ghata Vivaha, means marriage with a pot and breaking it after that.

Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

Moon in your 9th house:

The 9th house belongs to Jupiter, who is a great friend of the Moon. Hence the native will imbibe the traits and features of both these planets - good conduct, soft heartedness, religious bent of mind and love for virtuous acts and pilgrimage. Native will live upto 75 years. A friendly planet in the 5th house will augment comforts and pleasures from the son and develops intense interest in religious deeds. A friendly planet in the 3rd house ensures great increase in money and wealth.

Remedies

- (1) Install the things associated with the Moon within the house, e.g., place a square piece of silver in the almirah.
- (2) Serve the labourers with milk.
- (3) Offer milk to snakes and rice to fish.

Mars in your 2nd house:

The native with Mars in the 2nd house is generally the eldest issue of parents, or else he or she would always like to be treated so. But living and behaving like a younger brother would prove highly beneficial and ward off several evils automatically. Mars in this house provides great wealth and properties from the in-laws' family. Mars negative here makes the native a snake in disguise for others and causes death in war or quarrels.

Mars with Mercury in the 2nd house weakens the will power and undermines the importance of the native.

Remedies

- (1) The business associated with Moon, e.g., trade in cloth, will provide great prosperity, hence strengthen Moon.
- (2) Ensure that your in-laws make arrangements for providing drinking water facilities to the common people.
- (3) Keep deer skin in the house.

|| Lal Kitab Prediction ||

Mercury in your 11th house:

Mercury in this house gives bad results, because of enmity to Jupiter. At the age of 34 the native undertakes works of extreme foolishness. here Mercury causes loss of wealth, loss of mental peace and loss of reputation. Even hard work is not awarded. however the children of native will be well educated and get married in very rich and noble families.

Remedies

- (1) Wear copper coin in neck in a white thread or silver chain.
- (2) Do not keep a widowed sister or father's sister in your house.

- (4) Do not accept any Tabeez from a sadhu or faqir.

Jupiter in your 3rd house:

The Jupiter in the 3rd house makes the native learned and rich, who receives continuous income from the government all through his life. Saturn in the 9th makes the native live long, whereas if Saturn is placed in the 2nd the native becomes extremely clever and crafty. However Saturn in the 4th indicates that the native will be robbed of money and wealth by his friends. If Jupiter is accompanied by inimical planets in the 3rd the native is destroyed and becomes a liability on his closer ones.

Remedies

- (1) Worship of Goddess Durga and offering sweets and fruits to small girls and obtaining their blessing by touching their feet.

Rahu in your 8th house:

8th house is concerned with Saturn and Mars. So Rahu in this house gives malefic effect. The native would spend money uselessly on court cases. Family life would be adversely affected. If Mars is benefic and is placed in 1st or 8th house or Saturn (benefic) is placed in 8th house, the native will be very rich.

Remedies

- (1) Keep a square piece of silver.
- (2) While sleeping Saunf should be kept under the pillow.
- (3) Do not work in electricity or power department.

Ketu in your 2nd house:

2nd house is affected by Moon, which is an enemy of Ketu. If Ketu in 2nd house is benefic then one gets paternal property. One has to travel a lot and travels are fruitful. Venus gives good results, irrespective of its position. Moon would give bad results. If Sun is in 12th house then one starts earning livelihood after twenty four years and is happy. If Jupiter is exalted along with Ketu in 2nd house, then income would be in lacs of rupees. If Ketu in 2nd house is malefic, then one has to travel to dry areas. One cannot rest at one place and would be wandering from place to place. Income may be good, but so would be the expenditure. Thus net gain would be negligible. If there is Moon or Mars in 8th house then native's life would be short and he/she would have serious problem at the age of sixteen or twenty years. If 8th house is empty then Ketu would give malefic results.

Remedies

- (1) Apply turmeric or saffron as tilak.
- (2) One should not be of loose character.
- (3) If one religiously visits temples and bows head there then Ketu in 2nd house would give good results.

|| Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
